Exhibition from Saturday 15 May 2021

We are very much looking forward to welcoming you back to the gallery when we reopen on Monday 26 April. Our next exhibition features the work of four artists: Ceramics by Sue Dunne, Paintings by Elizabeth Gilbey, Printmaking by Lisa Hooper and Paintings by John Threlfall.

The exhibition will be from Saturday 15 May and, to comply with social distancing, we will not be able to have our usual jolly Private View. We will miss this a lot, but look forward to seeing you all whenever you can next visit us in Castle Douglas. No need to make an appointment. If you are not able to get to the gallery and you wish to purchase anything, please get in touch and we can arrange delivery or reserve work until you can come to collect.

Looking through the work for this show, it is the perfect exhibition to welcome us all back to the gallery - full of the hope that Spring brings each year. The exhibition runs until Saturday 3 July 2021. Please check our web site or telephone for up to date opening times.
